

Hello—

Welcome to Kansas Kindergarten Readiness Snapshot News & Updates! Get your kindergarten screening off to a good start with these biweekly tips to help with your administration of the Kansas Kindergarten Readiness Snapshot, the ASQ®-3 and ASQ®:SE-2. With each newsletter, you'll receive

- quick tips and resources to aid your ASQ® implementation
- a status update of all participating schools for the Kansas Kindergarten Readiness Snapshot initiative
- detailed articles that address key topics related to screening
- important reminders from the KSDE early childhood team

Effectively engaging parents and family members is a critical component of leading the world in the success of each student. In this issue, we provide you with the materials you'll need to introduce parents to ASQ.

Quick tips for introducing ASQ to parents

Use these resources to help introduce ASQ to parents and prepare needed materials to start screening.

- **ASQ for Parents: Your Quick-Guide to ASQ Screening**
This quick-guide answers some of parents' most commonly asked questions about ASQ screening. *This guide is also available in Spanish.*
- **How to Create Packets for Parents using ASQ Online**
ASQ® Online users can create their own document packets to print for their child profiles. This 5-minute video will walk you through how to create packets in the ASQ Online system.
- **Materials Needed to Administer the ASQ-3 60 month and 72 month Questionnaires**
Do you have all the materials you need to administer ASQ-3? Use this checklist to find out.

Do you know...how to introduce the questionnaires in ways that ease parents' concerns

One of the most critical parts of your screening program is right at the beginning when you first introduce the questionnaires. Use these tips and tools to put parents' minds at ease, increase their confidence, and help them feel more comfortable participating in screening.

A message from KSDE

KSDE would like to remind districts that all Kansas Kindergarten classrooms are required to administer the ASQ-3 and the ASQ:SE-2 between August 1 and September 20, 2019.

All screening data must be entered into ASQ Online by October 10.

The first monthly KSDE Early Childhood webinar of the 2019-2020 school year will be Friday, August 16 at 11AM. Here are the links to [join the webinar](#) and to [test your connection](#).
