

5

Reasons to Use

Family Access

ASQ® Family Access is a user-friendly option that gives parents the ability to complete ASQ questionnaires online through a secure, customizable website.

Here are 5 ways that Family Access can help you and the families you serve.

Convenient for Parents and Caregivers

Family Access enables families to complete questionnaires electronically 24/7 on their phone, computer, or tablet

Saves Professionals Time and Money

Reduce printing and postage costs and automate scoring to save time and money on each questionnaire completed

Improves Questionnaire Accuracy

Families have the opportunity to practice items and the online questionnaire prevents parents from accidentally skip a question

Prevents Scoring Errors

With automated scoring upon submission, Family Access eliminates the possibility of hand-scoring mistakes

Quick Access to Results

Completed questionnaires are easy to review through your ASQ Online account, with the option of email and text alerts
