

Save Time & Slash Paperwork with ASQ Online

ASQ Online streamlines your entire screening workflow by automating everyday tasks like questionnaire selection, age adjustments, and even scoring. By transitioning from a paper-based system to ASQ Online, programs of all sizes have saved time and boosted the efficiency and accuracy of their screening efforts.

Programs love saving time with ASQ Online!

"ASQ Online has allowed me to stay on top of screenings by **saving me time** and **giving me easier access to screening data.**"—Emily Dolbeare, assistant director of child development for Scribbles Center for Learning, Inc., Illinois

"ASQ Online has **freed up office time** so that we can talk about results or any other concerns that parents might have."—Karen Impson, Adventures in Pediatrics

"ASQ Online has **streamlined our screening program's record keeping.** Now, as soon as the screening is completed, it can be recorded and added to the child's file."—Patti Smith, special needs coordinator, Champlain Valley Head Start, Vermont

"Thanks to ASQ Online, we can **better serve children** who need extra developmental support, **rather than spending our time screening out ineligible children.**" —Jillian Lush, Executive Director, Sprout Family Services, Homer, Alaska
