

Top 9 Time Savers in ASQ Online

ASQ Online makes so many everyday tasks more streamlined and efficient! With an ASQ Online account, your program can:

- ✓ Score questionnaires automatically for fast, accurate results every time
- ✓ Run reports to see screening results for children in a whole classroom or program
- ✓ Print questionnaires right from ASQ Online — no need to search for the CD-ROM or box or search for PDFs on your network
- ✓ Send parents a convenient link to online questionnaires rather than printing them to hand out or mail
- ✓ Easily keep track of when screenings and re-screenings are due with auto-reminders and screening tasks you can have ASQ Online create for each child
- ✓ Create custom tasks to help you keep track of parent phone calls and other follow-up steps
- ✓ Ease the process of sharing results with families by creating standard letters with results, auto-filled with a child's name, address, and other information
- ✓ Review previous questionnaire results for a child with just a few clicks
- ✓ Give parents links to Learning Activities handouts instead of emailing them or printing them out
